THEORY Online, at your own pace	IN THE CLINIC 2 practical days	COURSE PLAN 6 online modules
GUIDED LEARNING 20 hours	COURSE FEE Ask admissions	

What the course includes

6 online modules on the KCLINICS Academy platform, studied at your own pace, then 2 practical days in the clinic. The plan comes from our scheme of work for this qualification.

Online modules

After the induction, each module has an online lesson, PDF learning material and written homework. Most modules also have video demonstrations and a quiz, and each unit ends with an online module test.

01 Course induction — UBT456

- Course induction and VTCT Skills registration
- Video demonstration: how to use the KCLINICS Academy website (online learning, tests, homework and portfolio)
- Learning agreement and code of conduct
- Introduction to all units, learning outcomes and assessment requirements

Includes video demonstrations.

02 Health and safety — UBT456

- Legislation, regulations and local authority requirements
- Infection control and ventilation of the treatment area
- Risk assessment and insurance
- Safe disposal of treatment waste

Includes an online lesson, PDF learning material, video demonstrations and written homework.

03 Plasma pen theory — UBT456

- History and development of plasma pen techniques
- Principles of plasma and ablative points
- Benefits, effects and treatment areas
- Contra-indications and contra-actions

Includes an online lesson, PDF learning material, video demonstrations and written homework.

04 Plasma pen theory: skin and healing

UBT456

- Skin structure and Fitzpatrick skin types
- Wound healing and the healing timeline
- Risks of hyperpigmentation and scarring
- Expected results and treatment intervals

Includes an online lesson, PDF learning material, video demonstrations and written homework.

05 Consultation and preparation

UBT456

- Consultation, skin assessment and sensitivity tests
- Pain relief options
- Informed consent, cooling off period and visual media records
- Marking and mapping treatment points

Includes an online lesson, PDF learning material, video demonstrations and written homework.

06 Plasma pen treatment

UBT456

- Device settings: intensity, mode and frequency
- Angle, distance and spacing of ablative points
- Monitoring the client (1–10 pain scale)
- Aftercare and home care advice

Includes an online lesson, PDF learning material, video demonstrations and written homework.

Also at Level 4	Level 4 Award in Radio Frequency; Level 4 Certificate in Radio Frequency; Level 4 Certificate in Ultrasound
Leads to	Aesthetic practitioner offering radio frequency, HIFU and other energy-based treatments

Fees and dates

Admissions confirms the fee for this course when you ask, and talks you through the ways to pay.

- Pay in full by card or bank transfer.
- Klarna or Clearpay at checkout, subject to their eligibility checks and approval.
- Monthly course finance through our finance partner, subject to status (18+, UK residents).
- Employer funding: we can invoice your employer.

You can enrol on any day. The next practical days are on the course page, and admissions confirms yours when they confirm your place.

Direct government funding for learners (Advanced Learner Loans, Mayor of London Adult Skills Fund) is not available through KCLINICS Academy at present and is not expected before 2028. Monthly course finance and self or employer funding are available now.

Apply, or ask a question

Apply on the course page or talk to admissions first. No payment is taken until your place is confirmed.
