Level 5 Diploma in Education and Training

VTCT Skills Level 5 Diploma in Education and Training · Ofqual 601/5350/7 · VTCT code ET5D1 · VTCT Skills

To develop the knowledge and skills required to work as a qualified teacher in the further education and skills sector: teaching, learning and assessment, theories, principles and models in education, wider professional practice, teaching and developing resources in a specialist area and inclusive practice, with beauty and aesthetics as the learner's specialist area.

THEORY Online, at your own pace	PRACTICE In your own workplace	COURSE PLAN 13 online modules
GUIDED LEARNING 390 hours	COURSE FEE Ask admissions	

What the course includes

13 online modules on the KCLINICS Academy platform, studied at your own pace, then practice and assessment in your own workplace. The plan comes from our scheme of work for this qualification.

Online modules

After the induction, each module has an online lesson, PDF learning material and written homework. Most modules also have video demonstrations and a quiz, and each unit ends with an online module test.

01 Course induction

- Course induction and VTCT Skills registration
- Video demonstration: how to use the KCLINICS Academy website (online learning, tests, homework and portfolio)
- Choice of optional units and teaching practice arrangements
- Learning agreement and code of conduct
- Introduction to all units, learning outcomes and assessment requirements

Includes video demonstrations.

02 Health and safety and safe learning environment (UET3)

- Legislation and codes of practice relevant to the teaching role
- Creating and maintaining a safe, inclusive teaching and learning environment
- Safeguarding, equality and promoting appropriate behaviour

Includes an online lesson, PDF learning material, video demonstrations and written homework.

03 Roles, responsibilities and relationships (UET3)

- History and development of further education and teacher training
- Roles, responsibilities and professional boundaries of the teacher
- Working with other professionals and points of referral
- Minimum core: English, maths and ICT in teaching

Includes an online lesson, PDF learning material, video demonstrations and written homework.

04 Planning and delivering inclusive teaching (UET3)

- Initial and diagnostic assessment and agreeing learning goals
- Planning inclusive teaching and learning: schemes of work and session plans
- Inclusive delivery, differentiation and use of technology

Includes an online lesson, PDF learning material, video demonstrations and written homework.

05 Assessing learning and evaluating practice (UET3)

- Assessing learning: methods, feedback and records
- Evaluating own practice in planning, delivering and assessing
- Identifying areas for improvement

Includes an online lesson, PDF learning material, video demonstrations and written homework.

06 Theories of learning and communication (UET6)

- Theories, principles and models of learning
- Theories and models of communication
- Applying theories to inclusive curriculum design

Includes an online lesson, PDF learning material, video demonstrations and written homework.

07 Theories of assessment, behaviour management and reflection (UET6)

- Theories, principles and models of assessment
- Theories of behaviour management
- Theories and models of reflection and evaluation
- Curriculum development and evaluation

Includes an online lesson, PDF learning material, video demonstrations and written homework.

08 Applying theory to teaching, learning and assessment (UET4)

- Applying behaviour management theories to a safe, inclusive environment
- Applying theories of learning, communication and assessment to planning and delivery
- Implementing the minimum core

Includes an online lesson, PDF learning material, video demonstrations and written homework.

09 Investigating and evaluating practice in a specialist area (UET4)

- Investigating practice in own area of specialism
- Applying models of reflection and evaluation to own practice
- Action planning for improvement

Includes an online lesson, PDF learning material, video demonstrations and written homework.

10 Wider professional practice (UET11)

- Professionalism and dual professionalism in education and training
- Policy, regulation and funding in the education and training sector
- Quality improvement and quality assurance
- Continuing professional development

Includes an online lesson, PDF learning material, video demonstrations and written homework.

11 Teaching in a specialist area (UET12)

- Aims and requirements of teaching beauty and aesthetics
- Industry standards, regulation and qualifications in the specialism
- Teaching approaches for practical and theoretical content
- Collaboration with employers and other specialists

Includes an online lesson, PDF learning material, video demonstrations and written homework.

12 Resources in a specialist area (UET15)

- Developing resources for teaching beauty and aesthetics
- Using digital and online learning resources
- Organising, storing and evaluating resources
- Copyright and accessibility of resources

Includes an online lesson, PDF learning material, video demonstrations and written homework.

13 Inclusive practice UV41226

- Legislation and policies for inclusive practice
- Barriers to learning and ways to overcome them
- Inclusive teaching and assessment strategies
- Evaluating own inclusive practice

Includes an online lesson, PDF learning material, video demonstrations and written homework.

In your workplace

14 Teaching Practice (UET3, UET4)

- Observed teaching practice with the learner's own groups of learners
- Session plans, resources, assessment records and reflective evaluations added to the portfolio
- Completion of the portfolio of evidence
- Student evaluation
- Tutor evaluation

Dates and times agreed between the learner and the assessor

Observations take place in the learner's own workplace

Evidence uploaded to the portfolio on the KCLINICS Academy platform

No practical days

No practical days. You gather evidence in your own workplace, agreed with your employer and checked by your assessor.

Equipment	Computers/tablets, observation and assessment records.
Safety	Learners to follow the health and safety policies of the training centre and of their own teaching setting. Learners to create and maintain a safe, inclusive learning environment, carry out a risk assessment before observed teaching practice and make sure that practical demonstrations follow the PPE and hygiene requirements of the industry code of practice.

Units and assessment

7 units
